THIRTY NINTH CONGRESS.

PIEST SESSION. Washington, Jan. 10, SENATE -A bill was introduced to fix the military peace establishment of the army. It provides that the army shall hereafter consist of seven regiments of artiflery, ten regiments of cavalry and staty regiments infinity. In addition to the five regiments of artillery now organized there shall be two new ones, one to be composed of colored and one or white persons. dicernd by selections from the volunteer service. Two new regiments of cavalry are to be of white and two of colored persons. In the infantry bank stronger than ever in public confidence there shall be eight regiments composed of men from the Veteran Beserve Corps and officered.

The rumor that Mr. Henry Howes, the first making of the Man.

Major Generals and ten Brigadiers. The bill was referred to the Committer.

A resolution was passed to print 4000, exples simply father to the thought, with the democratic press. As to opposing the President, what has the Farr Pares done? We A resolution was offered by Mr. Howe declar-ing that the States lately in rebellion had for-

fitted their rights as States, and it was for Congress to say when these rights should be restur-ed. Mr. Howe supported his resolution, affirm-ing that by the act of secretion and rebellion the Southern States had destroyed their foncation of Abraham Lincoln, and with the nur-der of Union prisoners of war by starvation and Amemorial of the American Free Trade

by the Secretary of the Treasury, instead of as now by the Assessors, was reported from the Finance Committee, but was not acted on.

Mr. Johnson obtained the floor, when the
